YEAR 4 REACH NEW HEIGHTS

Year 4 took part in their first rock climbing session on Wednesday, and what a fantastic session it was! A few of the children even managed to reach the top on their very first attempt!

Rock climbing has so many fantastic benefits for children. It helps to strengthen muscles, improve flexibility, coordination and balance, while also building endurance and stamina. It encourages problem-solving, concentration and focus, while helping to boost confidence and self-esteem.

It's safe to say the children thoroughly enjoyed the experience and are already very much looking forward to their next session where they will be working towards their NICAS award.

PTFA Updates

Annual General Meeting

28th September, 6:30pm
at school

Please come along and support our PTFA. New members are very welcome and greatly needed! A short new members meeting will follow the AGM.

Uniform Donations

Thank you very much for your generous donations of preloved uniform. Just a note to kindly ask that any further donated items are cardigans, jumpers, coats, bags and PE t-shirts (anything with a school logo) in a very good, clean, and usable condition. We really appreciate your support and generosity!
